

LOCAL COMMUNITY RELATIONS AND SOCIAL RESPONSIBILITY POLICY

As Senior Management of Granada Luxury Hotel & Convention Center Belek;

We undertake;

- to support working with the institution we are affiliated with, by developing economic and social benefits for the residents and the business community,
- To protect local resources and opportunities and to support their accessibility,
- To purchase products from the closest environment as possible, to help to reduce the CO₂ emissions from vehicles during transportation thanks to the purchases made from the close environment, and thus to help the economic development of the tradesmen in the region,
- To prefer the local people in recruitment preferences,
- To hold meetings in order to take into account the local characteristics, sensitivities and the needs of the local people in the decisions to be taken,
- To be a sponsor, to provide support for local events and organizations,
- To host children in our hotel by determining a partner school on certain days of the year so that the children living in the region can benefit from the facilities of our hotel,
- To collaborate with the Turkish Spinal Cord Paralysis Association in the "Plastic Cap Project" by collecting our plastic caps in order to enable the orthopaedic disabled individual to move freely and explore the world they live in,
- To adopt that it is our common duty to protect our nature, which we have borrowed from future generations, especially to bring the burned lungs of our country back to life, and to plant saplings in certain periods in order to increase the presence of forest areas in the region.
